

The STRIBOG

The STRIBOG

The STRIBOG series of firearms from the Slovak weapons manufacturer GRAND POWER Ltd., a company with 15 years experience in weapons design and production, brings customers from both, civilian and professional worlds, state of the art technology, materials and design packed with features to satisfy the needs of the most demanding users. STRIBOGs are chambered in 9mm, a well proven, yet affordable cartridge, possesses unique blowback solution for recoil reduction and superior accuracy and offers high modularity and equipment capacity not only thanks to use of two types of rail system and several variants of muzzle adaptors. As with all GRAND POWER handguns, STRIBOGs are fully ambidextrous, easy to clean and can be field stripped without any special tools. STRIBOG line brings robust, accurate, low-recoil and easy to equip handgun to shooters of the 21st century.
